

POSITION ANNOUNCEMENT

ABOUT AUGUSTA TECHNICAL COLLEGE

Augusta Technical College, a unit of the Technical College System of Georgia, is a two-year college located in Augusta, Georgia. Since its opening in 1961, Augusta Technical College has remained dedicated to promoting educational, economic, and community development in its service area (Burke, Columbia, Lincoln, McDuffie, and Richmond Counties). The college offers over 100 academic programs in high-demand areas such as Allied Health Sciences & Nursing, Business, Public & Professional Services, Cyber, Digital, and Engineering Technologies, accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). The college also offers adult education/GED, ESL, and continuing education programs through the Division of Economic Development.

ABOUT AUGUSTA, GEORGIA

Augusta, GA, is a regional center for medicine, biotechnology, and cybersecurity. Located near the Georgia/South Carolina border (Central Savannah River Area), the area holds many accolades: Most Neighborly City in America, Best Cities to Start a Business, and a Top Ten Places in the South to Hire Vets. The area is internationally known for the PGA's Masters Tournament held at the Augusta National Golf Club and being the home of James Brown; while also bolstering the Augusta Riverwalk, Savannah Rapids Pavilion, Evans Towne Center Park, and home of the US Army Cyber Center of Excellence at Fort Gordon.

ABOUT THE POSITION

Job Title: Lab Assistant, Engineering (Part-Time)

Job Code: 32701

Campus Location: Augusta Campus

Salary: Commensurate with education and work experience.

JOB SUMMARY

The Engineering Lab Assistant will support the daily operations of the engineering lab by assisting instructors with lab setup, student training, and equipment management. This role ensures a safe, organized learning environment, provides instructional support, and helps maintain accurate records and inventory while using technology effectively.

MINIMUM QUALIFICATIONS

Three years of technical/hands-on experience in electronics/electrical design, prototyping, testing, or electrical/electromechanical maintenance, or other related engineering discipline.

PREFERRED QUALIFICATIONS

Five or more years of industrial experience or applicable laboratory experience. Teaching experience at the K-12 and/or postsecondary level.

COMPETENCIES

- Excellent human relations skills
- Effective oral and written communication skills
- Knowledgeable of common software programs (i.e. Microsoft Word, Excel, Power Point)

A Unit of the Technical College System of Georgia

#HEJ

- The ability to implement technology into instructions.
- Independent learner with minimum supervision required.

MAJOR DUTIES

Under general supervision:

- Assists the course instructor with the day-to-day activities and services of the lab area, including scheduling, lab set-up, training students on lab equipment and tools, and management of lab equipment and supplies.
- Ensures that the lab/classroom is clean, safe, and organized, promoting safe lab practices.
- Maintains and files course documents in accordance with the College and program policies and procedures.
- Proctors tests/examinations and provides instructional and/or remediation support under the supervision of the course instructor.
- Conducts periodic inventory of lab resources and assists in requisitioning of lab supplies.
- Helps to update and install lab software for engineering technology applications.
- Performs other duties as assigned by the course lab instructor, the Department Head, and/or the Dean.
- Maintains credentials required for the position and profession.
- Demonstrates respect for students as individuals.
- Other duties as assigned

APPLICATION DEADLINE: The position will remain open until filled. All application packets **MUST** be completed via the Online Job Center at [JobCenter \(easyhrweb.com\)](http://JobCenter.easyhrweb.com). As a part of the application process, interested candidates will be required to upload other documents, including a resume, cover letter, and unofficial transcripts (see job center listing for more details). This posting will be removed from the Online Job Center once the position has been filled. All positions require a pre-employment criminal background investigation, education, and employer/professional reference checks. Some positions may additionally require a motor vehicle record search, credit history check, fingerprinting, and/or drug screen. All male applicants between the ages of 18 and 26 years of age must present proof of Selective Service Registration. Copies of all transcripts should be submitted at the time of application. Official transcripts are required upon employment. **Note: Due to the volume of applications received, we are unable to contact each applicant personally. If we are interested in scheduling an interview, a representative from our college will contact you.**

Equal Employment Opportunity Statement

The Technical College System of Georgia and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, programs financed by the federal government, including any Workforce Innovation and Opportunity Act (WIOA) Title I financed programs, educational programs and activities, including admissions, scholarships, and loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services.
