

POSITION ANNOUNCEMENT

ABOUT AUGUSTA TECHNICAL COLLEGE

Augusta Technical College, a unit of the Technical College System of Georgia, is a two-year college located in Augusta, Georgia. Since its opening in 1961, Augusta Technical College has remained dedicated to promoting educational, economic, and community development in its service area (Burke, Columbia, Lincoln, McDuffie, and Richmond Counties). The college offers over 100 academic programs in high-demand areas such as Allied Health Sciences & Nursing, Business, Public & Professional Services, Cyber, Digital, and Engineering Technologies, accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). The college also offers adult education/GED, ESL, and continuing education programs through the Division of Economic Development.

ABOUT AUGUSTA, GEORGIA

Augusta, GA, is a regional center for medicine, biotechnology, and cybersecurity. Located near the Georgia/South Carolina border (Central Savannah River Area), the area holds many accolades: Most Neighborly City in America, Best Cities to Start a Business, and a Top Ten Places in the South to Hire Vets. The area is internationally known for the PGA's Masters Tournament held at the Augusta National Golf Club and being the home of James Brown; while also bolstering the Augusta Riverwalk, Savannah Rapids Pavilion, Evans Towne Center Park, and home of the US Army Cyber Center of Excellence at Fort Eisenhower.

ABOUT THE POSITION

Job Title: Instructor, Computer Programing

Job Code: 10318

Campus Location: Augusta Site (May be required to offer classes on other Augusta Tech locations)

Salary: \$63,040.13 - \$78,000.00; Commensurate with education and work experience.

Augusta Technical College has a remote work procedure which allows full-time non-essential staff members and full-time faculty up to eight (8) hours to be completed remotely with supervisor approval. Thirty-two (32) hours must be completed on campus per week.

JOB SUMMARY

The **Computer Programing Instructor** will be responsible for performing all aspects of instruction for the program.

MINIMUM QUALIFICATIONS

A bachelor's degree in Computer Programming or a closely related field from a regionally accredited institution. Advanced experience with (one or more) C#, C++, JAVA or Python. HTML and SQL experience is required. Must have a minimum of three years of programming experience.

PREFERRED QUALIFICATIONS

A Masters' degree is preferred.

Knowledge and experience in Java Script, the .NET programming environment and mobile application development is desired.

Work experience should include those competencies, skills, and knowledge levels which the instructor will be expected to teach.

A Unit of the Technical College System of Georgia

#HEJ

APPLICATION DEADLINE: The position will remain open until filled. All application packets MUST be completed via the Online Job Center at [JobCenter \(easyhrweb.com\)](http://JobCenter.easyhrweb.com). As a part of the application process, interested candidates will be required to upload other documents, including a resume, cover letter, and unofficial transcripts (see job center listing for more details). This posting will be removed from the Online Job Center once the position has been filled. All positions require a pre-employment criminal background investigation, education, and employer/professional reference checks. Some positions may additionally require a motor vehicle record search, credit history check, fingerprinting, and/or drug screen. All male applicants between the ages of 18 and 26 years of age must present proof of Selective Service Registration. Copies of all transcripts should be submitted at the time of application. Official transcripts are required upon employment. **Note: Due to the volume of applications received, we are unable to contact each**

applicant personally. If we are interested in scheduling an interview, a representative from our college will contact you.

Equal Employment Opportunity Statement

The Technical College System of Georgia and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, programs financed by the federal government, including any Workforce Innovation and Opportunity Act (WIOA) Title I financed programs, educational programs and activities, including admissions, scholarships, loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services.
