

Position Announcement

March 2025

Position:	Mechatronics Technology Instructor
Position Status:	Full time
Application Deadline:	Open Until Filled
Primary Work Location:	Milledgeville Campus
Projected Work Schedule:	40 hours per week / 12 calendar months per year

A review of completed application packets may begin upon receipt. Interviews of qualified candidates may be scheduled after review; the position may close any time after April 14, 2025 based on candidate selection(s).

Position Summary:

Under general supervision, provides instruction to students in the classroom and clinical lab settings, and prepares syllabi and lesson plans. Develops program goals and objectives. Evaluates students' progress in attaining goals and objectives. The instructor must possess the ability to teach all phases of the curriculum. Demonstrates the use of appropriate teaching techniques; appropriate testing and grading procedures including proper maintenance of grade books and any other record-keeping required; effective use of oral and written communication skills; and knowledge of current procedures. Follows approved course syllabus. Maintains program requirements, attends/completes all professional development training; meets with students and college personnel to discuss students' instructional programs and other issues. Completes all reports, records, and invoices on time and maintains an accurate inventory of all assigned properties. Assists the Program Director in planning, developing, and monitoring the budget for equipment and supplies, and assisting with the preparation of pertinent documents related to program function and accreditation. Maintains qualifications for employment as described by the Technical College System of Georgia (TCSG) Policy Manual and accreditation standards. Follows rules and regulations as described by the TCSG Policy Manual and other policies and procedures established by the institution. The position may involve teaching traditional day and/or evening classes or online classes and will require travel within the college's service area and additional travel as needed.

Physical Demands:

Teaching responsibilities are typically performed in a classroom/lab environment with the employee intermittently sitting, standing, walking, bending, pushing and pulling for three (3) to four (4) continuous hours at a time. The employee frequently lifts/carries objects that weigh 40 pounds. Lab responsibilities are typically performed in an industrial setting and require that the employee stand/or walk for six (6) hours.

Minimum Qualifications: *Must upload transcripts/licensures which show conferred educational degrees and document qualifications in the employment history:*

Candidate must meet on one the of the following (Standard Academic or Other) Qualifications:

Standard Academic Qualification:

- Earned Associate degree in Mechatronics Technology / Industrial Automation, or a closely related field, from an academic institution accredited by an institutional accrediting agency recognized by the United States Department of Education, and,
- Documented three (3) year minimum fulltime work experience in the discipline to be taught

Other/Alternative Qualification: Applicants who do not meet the standard academic qualification may be considered under the following criteria:

- Earned Post-Secondary Credential in Mechatronics Technology / Industrial Automation, or a closely related field, from an academic institution accredited by an institutional accrediting agency recognized by the United States Department of Education, with demonstrated competence in the discipline to be taught, and,
- Documented three (3) years minimum fulltime work experience in the discipline to be taught*

OR

- Earned High School Diploma or earned equivalent, and,
- Documented five (5) years fulltime work experience within the last ten (10) years in the discipline to be taught*

**Candidate must upload the [CGTC Faculty Qualification Equivalency Form](#) and supporting documentation with their CGTC application to demonstrate qualifications specific to the teaching discipline.*

Preferred Qualifications: *Preference may be given to applicants who, in addition to meeting the minimum qualifications, provide transcripts of conferred degrees and demonstrate in the employment history possession of one or more of the following:*

- Earned Bachelor of Science in Mechatronics Technology / Industrial Automation, or a closely related field, from an academic institution accredited by an institutional accrediting agency recognized by the United States Department of Education
- Documented five (5) years of experience with instrumentation and control systems
- Documented teaching experience at the postsecondary level

Projected Work Hours/Location:

This position generally works normal day hours of 7:45 a.m. to 4:45 p.m. Monday through Thursday, and 7:45 a.m. to 3:30 p.m. Friday except for scheduled clinical days. Additional hours or a flexible schedule to include evenings may be required as needed. The position will be assigned to the Warner Robins campus and may require travel to other assigned college locations and clinical sites as needed. This position will work all 12 calendar months per year and at 40 hours per week.

Teaching assignments may include teaching, and required travel, to one or more campus/site locations, include dual enrollment programs and assigned locations, or any combination thereof, and may include a combination of face-to-face and distance instructional delivery methods. Faculty may be assigned to any campus/site based on the business needs of the college.

Salary / Benefits:

The selected candidate can expect to receive a contingent offer in the target gross annual salary of mid to high \$50s. Actual salary to be determined the candidate's highest qualifying degree based on meeting published minimum and preferred qualifications. The position is eligible for state benefits to include retirement, insurance, leave accrual, and holiday pay. CGTC is a member of the Teachers Retirement System of Georgia (TRS) and the Employees Retirement System of Georgia (ERS).

Application Procedure:

Applicants are required to complete the employment application in full and provide supporting documentation by the stated closing deadline for the position. GCTC does not accept mailed, faxed, or hand-delivered applications.

Applicants who complete the application procedure will be evaluated for meeting the position requirements based on the published job responsibilities, meeting the minimum and preferred qualifications based on the educational history, employment skills presented under job duties in the application system against the published job announcement. A completed application packet consists of the following:

1. A completed CGTC electronic application in the CGTC application portal.
2. As applicable, applicants for instructional positions are asked to provide a resume in addition to completing the CGTC application. Applicants for non-instructional positions may provide a resume if they wish. Submission of the resume does not replace the requirement to complete the CGTC electronic application.
3. Postsecondary transcripts that demonstrate the conferral of the degree, if applicable, and demonstrates the applicant meets the educational minimum requirements and, if applicable, the preferred educational requirements (*grade reports and diploma copies are not accepted in lieu of transcripts*)
4. Positions requiring a High School Diploma or GED as a minimum qualification do not have to submit a HSD/GED transcript documentation as part of the application process
5. Non-photo license(s) and/or certification(s) which fulfill the minimum, and if applicable the preferred qualifications stated in the job announcement

Incomplete application packets at the time of the position closing may not be considered. It is the responsibility of the applicant to obtain and upload the application documentation by the stated deadline.

Motor Vehicle Records

Employment References

Pre-Employment Drug Test

Fingerprint Records

Credit History Records

Psychological Screening

Medical Examination

Equal opportunity and decisions based on merit are fundamental values of the Technical College System of Georgia (TCSG). The TCSG State Board prohibits discrimination on the basis of an individual's age, color, disability, genetic information, national origin, race, religion, sex, or veteran status ("protected status"). No individual shall be excluded from the participation in, denied the benefits of, or otherwise subjected to unlawful discrimination, harassment, or retaliation under, any TCSG program or activity because of the individual's protected status; nor shall any individual be given preferential treatment because of the individual's protected status, except the preferential treatment may be given on the basis of veteran status when appropriate under federal or state law.

Central Georgia Technical College is an equal opportunity employer. All employment processes and decisions, including but not limited to hiring, promotion, and tenure shall be free of ideological tests, affirmations, and oaths, including diversity statements. The basis and determining factor for such decisions should be that the individual possesses the requisite knowledge, skills, and abilities associated with the role, and is believed to have the ability to successfully perform the essential functions, responsibilities, and duties associated with the position for which the person is being considered. At the core of any such decision is ensuring the institution's ability to achieve its mission and strategic priorities in support of student success.

The following person has been designated to handle inquiries regarding the non-discrimination policies:

The Title IX/Section 504/ADA Coordinator for CGTC nondiscrimination policies is Cathy Johnson, Executive Director for Athletics and Compliance, Room A136, 80 Cohen Walker Drive, Warner Robins, Ga, 31088; Phone (478) 218-3309; Fax (478) 471-5197; Email: [cajohnson@centralgatech.edu](mailto:cjohnson@centralgatech.edu).

All application materials are subject to the Georgia Open Records Act O. C. G. A. §50-18-70.
