

Position Announcement June 2018

Position:	Cardiovascular (Non-Invasive) Adjunct Instructor
Employment Status:	Adjunct
Application Deadline:	June 28, 2018
Projected State Date:	Fall academic term – August 2018

Position Description:

Under general supervision, provides instruction to students in the classroom and/or lab settings for program-related courses. Promotes maximum patient and student safety and practices within legal, ethical, and professional boundaries. Demonstrates the use of appropriate teaching techniques; use of appropriate testing and grading procedures including proper maintenance of grade books and any other record-keeping required; effective use of oral and written communication skills; and knowledge of current in-field procedures. Follows approved course syllabus. Maintain program requirements, attend/complete all professional development training; meet with students and college personnel to discuss students' instructional programs and other issues. Evaluates student progress in attaining goals and objectives. Completes all reports, records and invoices in a timely manner and maintains accurate inventory of all assigned properties. Maintain qualifications for employment as described by the Technical College System of Georgia (TCSG) Policy Manual and accreditation standards. Follows rules and regulations as described by the TCSG Policy Manual and other policies and procedures established by the institution. Position may involve teaching traditional day and/or evening classes or online classes and may require travel to any of the satellite locations within the College's service area.

Location/Schedule:

Macon Campus and Various Clinical Sites to Be Determined

Job Competencies:

Knowledge of the following: Cardiac Ultrasound procedures and guidelines, procedures to include M-mode, 2D, Doppler, Color flow Doppler, TEE, Enhancement studies, bubble studies, stress echo, Pre and Post testing procedures for interpretation and billing, diagnosis and /or treatment of heart disease, heart rhythm interpretation, as well as other modalities and procedures such as open heart surgery, cardiac catheterization, vascular ultrasound, cardiac rehabilitation.

Minimum Qualifications:

- Associate of Applied Science Degree in Cardiovascular Technology or a related field from a regionally accredited institution
- Documented 2 to 4 years of Non-Invasive Cardiac Ultrasound experience to include: Complete Echocardiographic studies, Enhancement Studies, Bubble Echo studies, Stress Echo and Transesophageal Echo studies.
- Current Registered Cardiovascular Sonographer (RCS) credential.

Preferred Qualifications, in addition to minimum qualifications:

- Bachelor Degree in Health Sciences or a related field from a regionally accredited institution
- Teaching experience at the postsecondary level and/or prior teaching experience in cardiovascular technology.

Salary / Benefits:

Gross Fee per Course. Adjunct positions are temporary, time-limited appointments encompassing a single academic term or period and do not imply or suggest a continuance of employment or a promise of future full-time employment. CGTC is a member of Teachers Retirement System of Georgia (TRS) and Employees Retirement System of Georgia (ERS). Adjunct positions are not eligible for TRS or ERS retirement benefits, state insurance, leave or holiday pay.

Application Procedure:

All applications and supporting documents must be submitted online by the posted deadline via the Central Georgia Technical College Job Center. A completed application packet consists of the following:

- A completed CGTC online application
- Current Resume or CV that outlines qualifications that demonstrates the applicant meets the minimum qualifications and if applicable, the preferred qualifications of the position
- Postsecondary transcripts that demonstrate the applicant meets the educational minimum requirements and, if applicable, the preferred educational requirements
- Positions requiring a High School Diploma or GED as a minimum qualification do not have to submit transcript documentation as part of the application process
- Non-photo license(s) and/or certification(s) which fulfill the requirements of the position

Unofficial transcripts are accepted to the extent that they indicate that the degree or credential was earned/conferred; grade reports and diploma copies are not accepted in lieu of transcripts. Educational credentials, degrees, or coursework cannot be considered without transcripts. Incomplete application packets at the time of the position closing may not be considered. It is the responsibility of the applicant to obtain and upload the application documentation by the stated deadline.
