Georgia Northwestern Technical College is seeking qualified applicants for the position of Instructor of Precision Machining & Manufacturing to be located on the Catoosa County FHTC Academy Campus and will be required to travel to other campuses to meet operational requirements. This position will report to Barry Williams, Dean of Industrial Technologies. This open position is for High School Dual Enrollment Instructors. This position requires an on-campus work environment presence and does not offer a telework option. The successful applicant will advise students in Precision Machining & Manufacturing Program and participate in institutional activities.

Duties/Responsibilities:

- Provides professional instruction based on approved course syllabus. Ensures that desired course outcomes meet the stated objectives
- Prepares curriculum and syllabus for coursework taught
- Evaluates students' progress in attaining goals and objectives
- Administers and grades class examinations
- Maintains records of student attendance and grades
- Attends in-service training, workshops, and seminars as needed
- Maintains program certification requirements
- Ensures safety and security requirements are met in the training areas
- Assists with recruitment, retention, and job placement efforts
- Meets with students, staff members, and supervisors as needed
- Other duties as assigned

Competencies:

- Skill in developing lesson outlines and materials
- Knowledge of vocational area of assignment
- Skill in presenting subject matter
- Skill in administering tests to evaluate progress
- Skill in the use of computers and job-related software programs
- Skill in interpersonal relations and in dealing with adult learners
- Oral and written communication skills
- Knowledge of student information systems

Minimum Qualifications:

- Certificate, Diploma, or Degree in Precision Machining & Manufacturing Program or related field **OR** industry experience, **OR** specialized/related training with an emphasis on demonstrated competencies and achievements.
- Three (3) years paid work experience in-field within the past seven (7) years.
- Work experience must include the competencies, skills, and knowledge levels included in the Precision Machining & Manufacturing instructional programs.
- Excellent organizational, communication, and interpersonal skills
- Excellent technology and classroom management skills

Preferred Qualifications:

- Bachelor Degree in Mechanical Engineering or related discipline.
- Post-Secondary teaching experience, curriculum development, and program recruitment experience in a two-year college environment
- Excellent technology and classroom management skills

Physical Demands:

Work is typically performed in a classroom or office environment with intermittent sitting, standing, or walking in various settings. The employee occasionally lifts or moves objects to a light to medium weight. Full range of hand and finger motion may be utilized for data entry purposes.

If the job involves driving, physical requirements include the ability to operate a vehicle and sit for extended periods.

Salary: Paid by lumpsum semi-monthly based upon contact hours

Benefits:

If this is a part-time position, no benefits are available. If this is a full-time position, benefits include: 13 paid State holidays, annual and sick leave, paid parental leave, educational support leave, options in the State of Georgia health and flexible benefits package, 401K & 457 options, a choice of two retirement systems dependent upon position: Teachers Retirement System of Georgia or the Employee's Retirement System of Georgia.

Application Deadline: Open until filled.

Application Process:

All application packets **MUST** be completed via the GNTC Online Job Center at www.gntc.edu/about/employment/. We do not accept resumes, transcripts, etc. in any other format except through the Online Job Center. As a part of the application process, interested candidates will also be required to upload documents such as a resume,

work references, contact information, education credentials such as licenses, certifications, and transcripts, if applicable and those applicable will be verified prior to beginning employment. Pursuant to college policy, a thorough background investigation, including a criminal history records check, shall be conducted on all candidates prior to employment. Some positions may require a motor vehicle record search, credit history and drug screen. **No phone calls or emails please.**

A Unit of the Technical College System of Georgia

Equal Opportunity Employer

A unit of the Technical College System of Georgia, as set forth in its student catalog, GNTC complies with the Technical College System of Georgia (TCSG). The TCSG State Board prohibits discrimination on the basis of an individual's age, color, disability, genetic information, national origin, race, religion, sex or veteran status ("protected status"). No individual shall be excluded from participation in, denied the benefits of or otherwise subjected to unlawful discrimination, harassment or retaliation under any TCSG program or activity because of the individual's protected status; nor shall any individual be given preferential treatment because of the individual's protected status, except the preferential treatment may be given on the basis of veteran status when appropriate under federal or state law.
